**REF: APPLICATION FOR ICT OFFICER GRADE II (DATABASE
ADMINISTRATION) POSITION**

Kindly refer to the above heading, my name is WITNESS SOSTENES NSHOBAIRWE. I completed Bachelor of Science in Software Engineering at the University of Dodoma in 2025. I hereby apply for the position of ICT Officer Grade II (Database Administration) as advertised on the Ajira Portal Website.

I possess knowledge and practical skills in database administration, database design, system maintenance, database security, backup and recovery, and server management. During my academic studies and practical projects, I gained experience in designing and managing database structures including tables, views, procedures, and functions using database management systems.

I am able to work effectively with other ICT professionals in system administration, documentation, technical support, and problem-solving activities. I am hardworking, quick to learn new technologies, and committed to maintaining professionalism and responsibility in all assigned duties.

My resume is attached and I am found for interview at any time and looking forward to hear from you. I would be happy, if my application will be given a priority and consideration, Thank you.

Your Faithfully,

.....
